2026-2027

Recital Program Schedule

✨ New This Year at Byron Dance Academy! ✨

Based on feedback from many of our dance families, we're excited to introduce a new monthly billing option for dance classes!

Instead of paying by session, tuition will now be billed monthly, making it easier to budget and spreading payments out over the course of the season.

How monthly billing works:

- Your **first month's payment is due at the time of registration.**
- The remaining monthly payments will automatically be processed on the **1st of each month, October through June.**
- If you register after the season begins, your monthly payment schedule will be adjusted to reflect your enrollment date.

We're also simplifying things even more by **including all costume fees in your monthly class tuition.** That means no separate costume invoices and **no surprise costume fees later in the season**—just one simple monthly payment.

We hope these changes make participating in dance more convenient and provide families with a predictable, stress-free payment experience.

If you have any questions, we're happy to help!
